life outdoors

The days of rescuing your outdoor pillows from the rain have come and gone. Today, outdoor furniture is truly suitable for all weather and doesn't skimp on style

BY ALLISON COOK

The modular furniture from Home Infatuation is ideal for tight spaces, and you can create unique seating areas by mixing and matching the variety of shapes and sizes. Available online at homeinfatuation.com.

The epitome of enduring style, this chaise lounge from Laneventure's Coastal Classics series is made of natural wicker and available in a range of finishes. It's available from Ken Rash's of Arkansas in Little Rock and Congo Stove and Patio in Benton.

The Grayson dining chairs and table, shown in cream with Paprika fabric, brings an elegant yet comfortable atmosphere to any outdoor space. Available Ken Rash's in Little Rock.

Sutherland Furniture introduces its RobinWood Deluxe Collection, inspired by 13th-century England. The Loxley Bed is truly one-of-a-kind in its design, and the plush bedding and canopy allow you to comfortably relax in the outdoors in the highest of style. Available to the trade.
