**Beyoncé**

You can enjoy Spanish hors d'oeuvres surrounded by Mediterranean sunsets or dine on the patio at the local tapas bar under the **MIRASOL® FLAMENCO UMBRELLA®**. With a cover that's inspired by a flamenco dancer's flowing skirt, this umbrella is a uniquely sassy umbrella that has a white powdercoat finish with a square steel base that all Santa Barbara Umbrellas feature so it will stay put no matter what terrain it rests on.

**PADDYWAX'S ECO COLLECTION** of candles use soy-based inks, hemp twine and recycled paper to help conserve the planet's resources. The paper pulp box is biodegradable in 3-6 months. And with fragrances ranging from cut grass to ruby red grapefruit, you'll never have to compromise fine fragrance. \$18. [www.paddywax.com](http://www.paddywax.com)

## So "Haute" in Yellow

**SUTHERLAND'S CAMANO BEACHFRONT** designed by Terry Hunziker, also in many different colors
