This exquisite Olympus Lounge Chair from Sutherland caught my attention during a visit to the J.W. Harris showroom in Scottsdale. I was captivated by its elegant form as well as its high-gloss yacht finish, which is hand-applied in a minimum of 12 coats and then sealed. What a lovely way to adorn the outdoors! The teak beauty is available to the trade through J.W. Harris Inc., (480) 425-9393. —LJB
