### 1} VONDOM

Designer Karim Rashid's Sloo chairs for Vondom are composed of polyethylene and come in 10 colors, among them black and white (shown), orange, green, and pink. From \$375. +34.962.398.486, [www.vondom.com](http://www.vondom.com)

### 2} SUMMIT FURNITURE

In profile, Summit's Boomerang sofa is designed to recall the shape of a throwing club. Made from sustainable teak, the frame sits on metal legs and holds a weather-proof cushion. \$8,000. 831.375.7811, [www.summitfurniture.com](http://www.summitfurniture.com)

### 3} SUTHERLAND

The Boardwalk club chair and ottoman by the late designer John Hutton feature a teak frame that is available in four finishes. From \$5,130 for the pair. 214.638.4161, [www.sutherlandfurniture.com](http://www.sutherlandfurniture.com)

### 4} JANUS ET CIE

Thanks to its low-profile design, the Fibonacci Vantana double chaise sits in a garden like a sculpture. It is made from Janus et Cie's synthetic weave, which wraps around the powder-coated steel frame. \$6,879. 800.245.2687, [www.janusetcie.com](http://www.janusetcie.com)
